

Preferential bookings

ATKV resorts facilitate your holiday experience with family-friendly breakaways at any one of our seven resorts that give you, as an ATKV member, the opportunity to book in advance.

As per usual, members can book at ATKV Eiland Spa from 1 September 2025 for the school holidays in June/July 2026.

In order for the preferential booking process to go as smoothly as possible, we would like to bring the following to your attention:

Bookings can be made online, in person at the resort, and via telephone calls.
2. Bookings over this period are subject to a minimum number of nights. For camping, the minimum number is ten nights. For accommodation, it is five nights.
3. Members must please note that the #RekUit deposit policy for preferential bookings still applies. More information about the schedules can be found [here](#).
